

Project Profile

Oregon State University Apperson Hall | Corvallis, Oregon

Client	SERA Architects Inc
Project Value	\$10m
Services Provided	Cost Management
Project Size	31,000 sq ft
Owner	Oregon State University

Overview

This distinguished campus landmark is undergoing a complete modernization and seismic upgrade. When completed, it will serve as classrooms, offices, library, auditorium and lounge. With energy savings 30% higher than code, 100% Green-e certified power, stormwater reclamation, an ENERGY STAR roof, and 95% construction waste management, the project will seek a LEED™ Silver rating from the U.S. Green Building Council.

Our role

Rider Levett Bucknall provided conceptual cost estimates for the design team.
