

Project Profile

One School Pathfinder for BSF | Wiltshire County Council

Client	Wiltshire County Council
Client Sector	Education
Project Value	£20m
Services Provided	Project Management Cost Consultancy
Project Size	
Architect	
Contractors	

The project required an impartial process of identifying one school from a client shortlist of three, to be presented to the DfES for the “Building Schools for the Future” (BSF) grant. Rider Levett Bucknall led three client-appointed consultants to ensure three feasible options were presented to the Council’s Board, within a set time frame. In addition Rider Levett Bucknall provided Cost Consultancy throughout the process.

Client Benefits

- Impartial evaluation
- Evaluation process delivered within the time constraints
- Multi service function from local Rider Levett Bucknall's office
