Client	Morley Fund Management
Client Sector	Commercial Offices
Project Value	£3.5m
Services Provided	Project Management Quantity Surveying Planning Supervision
Project Size	40,000sqft
Architect	
Contractors	

When Morley Fund Management selected the prestigious Stirling/Wilford designed landmark building at No.1 Poultry, EC1 for their new headquarters they appointed Rider Levett Bucknall to provide Project and Cost Management for their fit-out and relocation.

For Morley Fund Management, part of the CGU Group, the project represented an opportunity to consolidate and re-brand. Pringle Brandon was commissioned to create a distinctive interior design concept and Rider Levett Bucknall ensured that this was delivered to a high quality, on time and within budget.

Client Benefits

- Fast track delivery of 40,000sqft fit-out for major funding operation
- Project completion on time and within budget
