

Project Profile

Mitchells & Butler

Client	Mitchells & Butler
Client Sector	Leisure
Project Value	Various
Services Provided	Project Management Quantity Surveying
Project Size	Various

Rider Levett Bucknall has developed their relationship with this major leisure retailer by initially assisting with cost management of their public house brand roll-out programme.

Rider Levett Bucknall has recently worked as Project and Cost Managers in the development of their new headquarters building in Birmingham city centre. This development consisted of 96,000 sq ft office, and a 120 bed 'Express by Holiday Inn'. Rider Levett Bucknall devised an intranet based management system for Mitchells & Butlers' development process and is still heavily involved in the on-going improvements.

O'Neill's Brand Roll Out

Rider Levett Bucknall has to date completed over fifteen O'Neill's bars throughout the UK in the current roll-out programme and provided cost advice on a total of 45 projects. Rider Levett Bucknall has been able to provide up to date cost data via innovative IT applications. Rider Levett Bucknall constantly achieves an excellent rating for Quantity Surveying services on the Quarterly Mitchells & Butlers Performance measurement Survey.
