Rider Levett Bucknall offered a single point of contact for a full range of services provided to Bristol City Council, one of Bristol's largest property owners.

Providing multi-disciplinary services, including Space Planning, Churn and Move Management, CDM, Project Management and M&E Consultancy, Rider Levett Bucknall has been instrumental in a number of projects being delivered on time and budget.

We have enjoyed a good working relationship with Bristol City Council over the last 4 years and have successfully managed office relocations, moves and alterations for the Local Authority premises. This has been achieved through a developed understanding of the clients requirements/needs over a period of time, with an in-house presence maintained on a daily basis, displaying steady growth in supplied resource.
